### **AODA Audit by Ontario Ministry of Economic Development, Employment and Infrastructure (“Ministry”)**

In July 2014, Humber College was randomly selected for an AODA (2005) compliance audit. The audit was completed on September 19, 2014 and found the College to be in compliance. The College’s employment and information accessibility standards have also been strengthened.

On October 8, 2014, Dr. Gorman will be speaking at Humber for the second year, and all members of the AODA Committee were invited to attend the workshop.

### **AODA Training**

An information bulletin setting out the three mandatory trainings (Customer Service Standards, Training for Educators and Integrated Accessibility/Ontario Human Rights Code) has been distributed to the College’s Deans of Schools and departments and posted in the Communiqué.

### **Status of Expired Memberships**

**KP** raised the question of membership status for those Committee members whose 3-year term had expired (ex-officio), but who wished to keep serving on the Committee. The Terms of Reference will be revised to reflect this decision.

The Committee considered ideas to make future events more interactive for the College’s students. This is an ongoing discussion.
